Hobbies and Interests

I enjoy crochet and knit and am part of my university's crafting club. I also love Dungeons & Dragons and play regularly. I play piano and guitar and occasionally record myself for my YouTube channel.

I'm also an avid gamer – some of my favourites include narrative-heavy games like *Disco Elysium*, *The Witcher* franchise, *I Was a Teenage Exocolonist*, and the *Fallout* franchise. I especially enjoy games with extensive world-building, such as the *Dishonoured* series, and have thoroughly loved a handful of horror games, such as *Alien: Isolation* and *SOMA*.
